TO STATE N. E. A. DIRECTORS.

Gentlemen:

I am sending you enclosures as suggestions of the work being done in Missouri to reach probable members of the Forty-third annual convention of the N. E. A.

The thin circular is being mailed with the Bulletin-program from the office of Secretary Irwin Shepherd, at Winona, Minn., under a one-cent stamp. The circular will go to a list of 25,000 names, obtained by Manager Hawkins, acting under State Director Ben Blewett. They came largely from the State Superintendent of Schools.

That you may be in touch with the situation here, I send also a circular letter to Passenger Agents. Since it was issued the Fair has opened and a test of housing and street car facilities has been made. Both are satisfactory. Large crowds are expected as the season lengthens. It will be well to emphasize the necessity for making advanced reservations of rooms, if good ones, at reasonable prices, be desired.

Yours, very truly,

W. A. CARPENTER,

Secretary Local Executive Committee, N.E.A.

Board of Education Building,

St. Louis, Mo.
